At a certain Friday seminar...

What? His background looks strange...

At a certain Friday seminar...

What is your background?
Do not play around with
the seminar.

Sorry, but this is a
punishment game...

It's unsightly for you to
make excuses.
Please reflect.

I'm so sorry...

Just kidding lol

Actually, Iwanami sensei
knew this!

At a certain Friday seminar...

👉 Tsukkomi member

Iwanami sensei, have you pranked?
Your words were so strict that Igarashi kun
seems really depressed.

Igarashi kun, are you okay?

Actually, I knew that Iwanami
sensei would get angry.

Were you in on it?
You got me!

...Actually, all the conversations so far were
joke made by M1 member! lol

Iwanami sensei and Igarashi kun, thank you for your cooperation!!

Little by little we can go to laboratory

⇐ No people and quiet in the student room...

It looks like dusty PCs are waiting for owners to appear.

Cai san is processing rebar⇒

I'm desperate
because I have limited time!

**We're looking forward to the day
when everyone can go to the lab!!**
